

ALLIANZ ARENA | NON MATCHDAY

HYGIENE AND BEHAVIOUR GUIDELINES

PLEASE BE SURE TO OBSERVE THE FOLLOWING REGULATIONS

In the event of violations of the following official requirements within the Allianz Arena, entry into or remaining in the Allianz Arena may be denied.

- **Access only with '2G-Plus' proof (Booster vaccination or test evidence)**

Documents should ideally be presented in digital form (app/digital proof of vaccination with QR code) at the entrance.

Please have your proof ready at the security check at the entrances.

- **Following people are excluded:**

Children under 14 years

- **In addition to proof of vaccination or recovery one of the following certificates:**

PCR test not older than 48 hours or Rapid antigen test not older than 24 hours

If a booster vaccination is presented, the additional negative test certificate is not applicable

- **Completed vaccination**

Pupils older than 14 years

At Least 14 days must have passed since the final required dose

Convalescent persons with single vaccination from the day of the administered dose are also considered vaccinated

- **Recovered**

A positive PCR test from at least 28 days and no more than 3 months previously

- Please have identification with you (ID card or passport)

Maintain a distance of at least 1.5 m

Cough into elbow

Wear a FFP2 mask

Don't touch face with hands

Avoid greetings

Wash hands frequently (for min. 30 seconds)

Avoid gatherings

Disinfect hands

- FFP2 masks must be worn by people aged 16 or above on the entire ground of the Allianz Arena
- Children aged 6 to 15 must have a Medical mask
- Children aged 5 or below are not required to wear a mask

Admission and visit is prohibited in particular if visitors are suffering from symptoms that indicate infection with the coronavirus (e.g. dry cough, fever, shortness of breath, headache, sore throat and pain in the limbs as well as impairment in taste and smell).
