BARRIER-FREE PARKING AT THE ALLIANZ ARENA

PAYMENT

Please pay for your parking in advance!

- » Online via the Allianz Arena website (allianz-arena.com/parken)
- » Via the Allianz Arena app
- » Via myFCB account
- » At the machines in the car park (note - long waiting times possible!)

This requires entry of your vehicle registration (licence plate) number.

ENTRY

Thanks to the barrier-free entry, you can drive straight into the Allianz Arena car parks as usual. The licence plate is scanned upon entry in accordance with data protection.

PARKING

Choose one of the free parking spaces in the visitors' car park.

EXIT

Parking fee paid?

Then simply drive away - the licence plate is scanned again upon exit, completing the parking process.

If you've forgotten to pay, you can still do so up to 48 hours (grace period) after exit using the online methods mentioned above.

Safe trip!

After the grace period of 48 hours has expired, increased costs are incurred by a collection agency!
